## Interkultura Football Tournament

Interkultura was created by Ballarat Regional Multicultural Council and Ballarat City Football Club to welcome, include and connect diverse regional communities in friendship through football.

In February 2019 around 100 players from 7 rural, regional and suburban satellite locations participated in a pilot event at Ballarat's premier Regional Soccer Facility. Karen, Hazara, Rohingya and diverse African ethnic communities were represented. Enthusiastic feedback from participants and multicultural agencies called for an annual regional event.

An expanded tournament is being organised to take place on Saturday 19th October preceded by a dinner on Friday 18th. Keynote speaker and patron of the tournament will be Craig Foster.

**BIA supports this event and will purchase tickets for members to attend the dinner. Members will be advised on ticket details soon.**
